

## Quick Start Guide

### Important Information

- **Compatible Device:** iPhone 15 Pro only.
- **Screen Protector:** Ensure your iPhone has a clear screen protector (provided with headset) applied before using the device.

### Setup

Download the Maggie VR App.

- Open the Apple App Store.
- Search for “Maggie iVR.”
- Download and install the app.

If purchased with a new phone, Apple ID is required and connection to wifi/cellular prior to downloading the App.
